Dear Parents,

17.07.26

At Shrishti schools, we strongly believe that education extends beyond academics. In alignment with the vision of the National Education Policy (NEP 2020) and CBSE's holistic development approach, we encourage every student to participate in at least one Extra-Curricular Activity (ECA) that nurtures creativity, leadership, discipline, teamwork, physical fitness, and self-confidence.

We are pleased to offer a wide range of professionally coached activities for the academic year 2026–27. Our experienced coaches are not only experts in their respective fields but have also trained students for district, state, national, and international – level competitions.

Why Should Your Child Join in ECA?

- Develop confidence and communication skills.
- Discover and nurture hidden talents.
- Enhance creativity, discipline, and concentration.
- Improve physical and mental well-being.
- Build leadership qualities and teamwork.
- Gain opportunities to represent the school in various competitions.
- Strengthen college and career portfolios through achievements beyond academics.

A CALL TO ALL PARENTS

Every child possesses unique talents waiting to be discovered and nurtured. We encourage parents to carefully discuss these opportunities with their wards and select an activity that aligns with their interests and aspirations.

Participation in ECA programmes not only enriches the school experience but also helps students develop life skills that contribute to their overall growth and success.

Let us work together to provide our children with opportunities that inspire excellence both inside and outside the classroom.

“Every child is gifted. Give them opportunity to shine.”
